

M-39 Corridor - Growing Together

January - November 2011

What Is Being Done?

The Michigan Department of Transportation (MDOT) is investing approximately \$80 million in Wayne and Oakland counties to make extensive improvements to the M-39 (Southfield Freeway) corridor. Included in the work is the reconstruction of 3.25 miles of pavement between M-10 and McNichols Road; the repair and replacement of 24 overpasses between M-10 (Lodge Freeway) and I-94 in the cities of Southfield, Detroit, Dearborn and Allen Park; replacement and construction of median and outside shoulder barriers; and drainage system and freeway lighting updates. These improvements began in January and will be completed in November.

Key Dates

- **Jan. 4 through May 20:**
Intermittent weekend closures on M-39 between M-153 and M-10 for overpass demolition. Weekend closures begin at 9 p.m. on Friday and end by 5 a.m. on Monday. Traffic will be detoured to US-24 (Telegraph Road).
- **May 20 through Oct. 31:**
Northbound and southbound M-39 will be closed between M-10 and I-96. Continuous lane closures on northbound and southbound M-39 between I-96 and M-153 and weekend lane closures on northbound and southbound M-39 between M-153 and I-94.
- **Oct. 31 through Nov. 15:**
Intermittent lane closures on northbound and southbound M-39 between M-153 and M-10.
